Term 2 Week 8

MULTICULTURAL PERSPECTIVES PUBLIC SPEAKING

Next Tuesday Annabel Sevil and James Redgrove will travel to Tamworth to participate in the Multicultural Perspectives Public Speaking Competition. Both Year 5 students have worked really hard in preparing for their presentation which includes a 4-5min speech on a topic about Multiculturalism along with an impromptu speech on an unknown topic. The competition will be held at Tamworth Public School and I am sure Annabel and James will do an outstanding job representing our school.

ATHLETICS CARNIVAL COMBINED

As you should be aware, this year we have moved to a combined Athletics Carnival with Wallabadah Public School. We have done this for a number of reasons including: both schools having significant drops in student numbers; to provide more competition between age groups; continue building a strong partnership between the two schools. This will not have any impact on our student nominations for the Zone carnival, nor will it have any impact on our age champions.

I would also like to take the time to thank **Nu Rural** for their very generous donation of \$150 worth of line marking dye to assist our wonderful helpers in marking the track and field for our upcoming athletics carnival. Please support this wonderful local business that continues to support our school.

TREE ARBORTISTS

Many of you may be aware that all schools are currently going through a process having all trees assessed for safety purposes following a terrible incident earlier this year. Recently a professional tree arborist came and assessed our site. We are still awaiting the final report, but it is possible that some trees may be lost in this process. I will keep you up to date with this before works/removal takes place.
