PRINCIPAL'S MESSAGE

Term 1 Week 7

This week is Mrs Simson's last week before she heads off on some leave. We are all very excited for Kate and wish her and Will all the very best with the impending arrival of their baby.

We are looking forward to inviting our families to some school events later in the term. More information about activities and whole school events will come out in our newsletter. Please keep an eye out for up and coming events that are held at the school for you to attend. Thank you to our families for continuing to support pick up and drop off as we have been for the past couple of years.

There does seem to be a few bugs making their way around. We are continuing to handwash regularly and ensuring that our rooms are well ventilated. Please make sure if your children are unwell, particularly with any gastro like symptoms, that they remain at home for at least 48 hours after symptoms clear. This is based on NSW Health advice. We are happy to support families by providing extra RATs if required. Please contact the school and we can send them home with your child.

Enjoy your week.
